

CALL FOR SUBMISSIONS

Southeastern Psychological Association
Atlanta, Georgia
March 8 – 11 2017

Our convenient, time-saving **Electronic Submission System (ESS)** will enable you to submit proposal(s) from your computer. You may pay your dues and convention registration with Visa, Master Card, Discover or American Express online at any time at www.sepaonline.com. The ESS opens August 15th and closes October 11th.

Authors should clearly state the status of data collection and analysis in their proposals. For papers and posters, it is expected that empirically based proposals are based on completed research, or at least on work which is complete enough in terms of data collection and analysis so that preliminary conclusions can be drawn. Reviewers will be instructed to use discretion in evaluating proposals based on incomplete data, and to reject proposals for empirically based papers or posters when data have not yet been collected. Proposals for conceptual or theoretical presentations will be evaluated on the basis of stage of completion as well as quality.

Everyone attending the SEPA convention must register and receive a name badge. Your badge is your admission ticket to SEPA sessions. You will save money if you register for the convention before October 11th.

We encourage you submit your proposals early. Should you have questions please e-mail the SEPA office at sepa@citadel.edu as soon as you realize you need help. DO NOT wait until the submission deadline date of Tuesday, October 11th to call for assistance. The office is only part time staffed and you may not reach anyone in time to resolve your issue.
