Who We Are

Charleston Counseling Center provides premier, all-inclusive private practice management. With a team of 60+ licensed clinicians, four welcoming locations, and a diverse and able admin staff, we deliver the highest level of clinical experience for our clients and a warm, stimulating, and collegial atmosphere for our clinicians. Our group serves children, teens, adults, couples, families, and seniors, offering a diverse range of modalities and approaches.

How You Benefit

You get to focus on your practice, and we focus on supporting you to live your best life. At Charleston Counseling Center you will enjoy a cloud-based therapy records system, high-caliber marketing campaigns, an attractive and comprehensive website, and inviting and comfortable offices -all designed to deliver a seamless customer experience.

Our experienced administrative staff manage your insurance credentialing, initial client inquiries and scheduling, insurance claims and payments, and many other normally burdensome support tasks.
